DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 13-24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

As per claim 13, line 6, "said Third parties" lacks clear antecedent basis. On line on line 6, "said users" lack clear antecedent basis. Also on line 11, "the User" lacks clear antecedent basis. On line 13, "the Payment Bank" lacks clear antecedent basis. On line 14, "the intermediary(ies)" lack clear antecedent basis. On line 14 also, "the counterparty" lacks clear antecedent basis. On line 17, "the currency" lacks clear antecedent basis. Online 18, "the payment type" lacks clear antecedent basis. On line 19, "the Transaction Reference Number" lacks clear antecedent basis. Online 20, "the Clean Payment Limit" lacks clear antecedent basis.

As per claim 15, lines 2-3, "said domestic payment system" lacks clear antecedent basis.

The prior art taken alone or in combination failed to teach or suggest said users sending counterparty payment risk data on behalf of themselves and said third parties to the system wherein the payments risk data specifies transaction parameters selected from the group consisting of (i) ...(ix) and such that payments instructions breaching said input parameters to the filter process module are rejected back to a payments processing queue for later re-evaluation in the absence of an override instruction as recited in independent claim 13.

Claims not specifically addressed are rejected based on their dependency.
